Love what we do?

Become a FPB BFF and share the love with others to help  
them whistle on their way to work.

(As well as getting FPB goodies for you and your team!)

Here's how it works...

- ♥ Introduce us to someone who might like to know a bit more about us- this could be an individual or another team in your business. As a thank you, bag yourself a BANGing **FPB treat** (a set of FPB postcards, a FPB Thinky Thought pad or a FPB 'Year in the life of awesome ME' personal development journal) ...your friend can also choose one too!
- ♥ If this connection leads to a new **friendship** for FPB, then we'll gift one of our shiny new on-demand online learning experiences, a **FizzPopSPARK Pocket Guide**. This can be on a topic of your choice (usually worth 150 squid).\*
- ♥ If this new friendship leads to a new **project** for FPB, then we'll offer a **one-time £500 discount** for their first Bite-size behaviour session. Plus, you'll receive a **FPB hamper of treats** to share at your next team meeting\*\* AND being a FPB BFF gives you exclusive access to exciting future offers and events.

Big love FPB  
x.
